

WTA-ZERTIFIKAT

The International Association
for Science and Technology of
Building Maintenance and
Monument Preservation
(WTA) hereby certifies that
the company

KURT OBERMEIER GMBH & Co.KG

submitted the results of the injection materials performance test in accordance with WTA recommendation 4-10 and that these results were reviewed by the WTA Inspection Committee. The performance test was carried out by an injection materials test institute recognized by the WTA.

The following injection material passed the performance test based on the application parameter described in the test certificate No.

No. 2.2/06-3357/1

dated 31.01.2008

This material therefore complies with the requirements of WTA recommendation 4-10:

KORATECT® HZS

Permission is hereby
given to label the product
with the service mark.

This certificate cannot be
transferred to other
injection materials.

Upon request, the period
of validity may be
extended in accordance
with WTA
recommendation 4-10

The certificate is valid until: **September 2023**
