

WTA-ZERTIFIKAT

The International Association
for Science and Technology of
Building Maintenance and
Monument Preservation
(WTA) hereby certifies that
the company

Kurt Obermeier GmbH & Co. KG

submitted the results of the injection materials performance test in accordance with WTA recommendation 4-10 and that these results were reviewed by the WTA Inspection Committee. The performance test was carried out by an injection materials test institute recognized by the WTA.

The following injection material passed the performance test based on the application parameter described in the test certificate No.

No. M1616

dated 08.02.2012

This material therefore complies with the requirements of WTA recommendation 4-10:

KORATECT® HSC

	Permission is hereby given to label the product with the service mark.	This certificate cannot be transferred to other injection materials.	Upon request, the period of validity may be extended in accordance with WTA recommendation 4-10
The certificate is valid until: October 2024
